Hot Dog Race Cars

Add a little fun to your hot dogs with this easy snack hack!

Ingredients:

- Sausages
- Hot dog buns
- Ketchup/Mustard
- Cucumber
- Cherry tomatoes
- Cocktail sticks

Instructions:

1. Cook your sausages thoroughly on the BBQ - Ask a grown up to help you
2. Cut slices of cucumber and halve your cherry tomatoes, for the wheels. Take care when using a knife and ask a grown up to help you
3. When your sausages are well cooked all the way through, put them inside the buns and secure your wheels with cocktail sticks, being careful of sharp ends
4. To make your racing driver, add a small chunk of cucumber, with half a cherry tomato (seeds taken out) as the helmet and secure with a cocktail stick
5. Finally, add some racing stripes with your condiments and enjoy!
