

## Cosy Hot Chocolate Stir Sticks

Get warm and cosy and indulge with these delicious chocolatey treats!

### Resources:

- Chocolate
- Chocolate mould or ice cube tray
- Wooden spoons or stirrers
- Your choice of biscuit, sweets or sprinkles
- A nice big cup of hot chocolate or warm milk!

### Method:

1. Use a glass bowl over a pan of hot water, or microwave, to melt your chocolate
2. Pour the chocolate into your moulds and leave to cool.
3. When cool, place your spoons into the moulds and arrange your biscuits or sweets carefully on top of the melted chocolate, surrounding the spoon.
4. Place in the fridge until set.
5. Now, you are ready to enjoy your chocolate stir sticks, with a nice big cup of hot chocolate or warm milk – Yum!
