Ice Crispy Snowballs

Have a go at making these deliciously crunchy and gooey treats!

Ingredients:

- ¼ cup butter
- 180g marshmallows (big or small)
- 6 ½ cup crispy rice cereal
- ½ cup mini marshmallows
- 2 tsp vanilla extract
- ½ cup blue/white sprinkles

Method:

1. In a large pot over low heat, melt butter and marshmallows, stirring often.
2. Once the mixture has melted, about 3-4 minutes, add in vanilla extract and stir.
3. Next, add in cereal and mini marshmallows. Stir until the mixture is well combined.
4. Allow to cool 3-4 minutes.
5. With slightly damp hands, take a small handful of the mixture and form into a snowball. Place on wax paper to let it cool. Repeat until the mixture is gone.
6. Top with the sprinkles.

Enjoy!
